PUBLIC HOUSING REVOLUTION
In NYC
170,000 units of public housing

In London
1980 = 770,000 units
Today = 400,000 units of public housing
In NYC, ~5% of all households live in public housing.

In 1980, ~30% of Londoners lived in public housing.
CONDITIONS FOR CHANGE

1. Consensus that something has to change. Government resources are not enough.

2. Financial resources and expertise of the affordable housing industry.

3. Expertise and resources of the tenants themselves.
