BUILDING PROGRESS. INSPIRING CHANGE.

BFC Partners proudly supports the work of Bedrock for Communities, Inc.

Bedrock for Communities is a nonprofit organization with a mission to provide educational, recreational, and socially conscious programs and activities to youth and adults living in lower to moderate income communities in New York City. Our vision is to create a positive impact on people's lives through community and youth development projects.

Recognizing the need for energetic, nonprofit work in this area, we formed our organization to provide practical solutions.

As individuals, we've collectively served New York City's five boroughs for over 15 years. Now, as a newly formed nonprofit, we're excited to bring community development and youth development programming to the forefront of our services.
